PROFESSIONAL SUMMARY

Pre-final year Computer Science student interested in Machine Learning and NLP. Research Intern at IIT Ropar working on multilingual semantic search using sentence-transformer embeddings and vector databases. Experienced in machine learning, NLP, semantic search, retrieval-augmented generation (RAG), and data analysis using Python.

EDUCATION

VIT Bhopal University	<i>2023 – 2027</i>
B.Tech in Computer Science and Engineering	CGPA: 8.10
St. Xavier's Sr. Sec. Co-Ed School	Class X & XII

EXPERIENCE

Summer Intern — Indian Institute of Technology Ropar *May 2026 – Jul 2026*
Guided by Dr. Balwinder Sodhi, Department of CSE

- Developed a multilingual semantic search pipeline using sentence-transformer embeddings and vector similarity search for Hindi and English document retrieval.
- Contributed to Talk2Books (TTB), a privacy-first document question-answering platform using LangChain, Qdrant, Ollama, language detection, and multilingual query routing.
- Built backend services using Quart REST APIs and integrated them with a React frontend.

TECHNICAL SKILLS

Languages	Python, Java, C++, JavaScript, SQL
Machine Learning	Scikit-learn, Pandas, NumPy
NLP	Sentence Transformers, LangChain, Vector Search, Qdrant, RAG
Data Analysis	Data Cleaning, Feature Engineering, Model Evaluation
Visualization	Matplotlib
Web & Tools	React, Vite, Quart, Git, Docker, Linux
Cloud	AWS EC2, S3, IAM, VPC

PROJECTS

Crop Recommendation and Price Prediction System *Python, Scikit-learn, JavaScript*

- Developed a crop recommendation system using Random Forest classification on agricultural and soil datasets.
- Built a crop price prediction model using historical market data and regression techniques.
- Performed data preprocessing, feature engineering, model evaluation, and web integration.

Web-Based Arduino Simulator *JavaScript, HTML, CSS, C++*

- Developed a browser-based Arduino circuit simulator with digital and analog I/O emulation and automatic code generation for hardware deployment.

CERTIFICATIONS

NPTEL – Machine Learning (IIT Madras) · AWS Certified Solutions Architect – Associate (SAA-C03)
(Jun 2026 – Jun 2029) · Google AI Essentials
